Dietary Supplement

20 capsules

Recommended Use: As a dietary supplement, take two capsules before breakfast or morning exercise session, and two more capsules at mid-afternoon. **Do not exceed this recommended amount at any time.** Individuals weighing less than 150 pounds may wish to begin use by taking half the recommended amount for the first week (one capsule two times per day). *For best results use as par of a reduced fat diet and exercise program. ***Please note:*** *Guarana extract contains caffeine and should not be taken by those wishing to eliminate caffeine from their diet.*

Warning: Do not use if you are pregnant or nursing or if you are at risk of or are being treated for high blood pressure, liver, thyroid, or psychiatric disease, diabetes, pernicious anemia, nervousness, anxiety, depression, seizure disorder, cardiac arrythmias, stroke, pheochromacytoma, or difficulty in urination due to prostate enlargement.

Consult your healthcare professional before use if you are taking an MAO inhibitor or any other prescription drug. Discontinue use and consult your health care practitioner if dizziness, sleeplessness, tremors, nervousness, headache, heart palpitations or tingling sensations occur. Keep out of the reach of children. Not intended for persons under 18 years of age.
