Ben Neuhausen
+ Jim Green -

10/1/01.

TC John Stewart.

What docs should we keep? Historically, keep everything.

3-4 bouchets of e-mails.

(1) 1 1/2 years ago on this trans. Only 1 of many transaction. Not the only controversial trans. - diff kinds - complex + haven't turned out well.

- Sometimes just send flow chart.

Sometimes give advice - ask q's - what's bus. purpose.

Occurs concurrently.

Back into March / Feb. 2000.

- Jim Green, Carl Bass, Neuhausen, JEP.

(2) On Raptor, time went by, not turning out so well, so more e-mails in past couple weeks.

Memos in effort to justify - memos @ PSG

(2) request - by engmt team

(3) Eng. team sent memos had written over last couple of years - some are inaccurate re PSG references. Didn't get advice correct. PSG never saw memos - Never sent copies.

- PSG sent memo back - inaccurate

A-004503

(4). 1 memo. Our client in Houston. Had problems w/ PSG person. He wrote a fiesty memo to John L. Stewart.
- Refers to Raptor tons.
