## AMENDMENT TO THE AMENDMENT IN THE NATURE OF A SUBSTITUTE OFFERED BY MI . IIIIII

Page 4, strike lines 20 through 23 and insert:

1 "(b) PROHIBITION .—Any manufacturing, proc-
2 essing, distribution in commerce, use or disposal
3 that involves some form of elemental mercury shall
4 be prohibited under this section if the Administrator
5 determines that such activity presents, or will
6 present, an unreasonable risk of injury to health or
7 the environment.".
