Yellow Jackets

Name of Customer:
Company Name :
(if applicable)

Address:

Phone Number:

1 or 2 coffee
-6. Mountain Dew - Di
- Weekends a little
less Caffeine intake

Customer's Situation: Takes 3-5 yellow jackets a day for the Past 2 years. Wanted to know about long term effects - Do not have Medical background - See a Dr

Advice Given: Told him never to take more than 3 a day 1 at a time & Quit Coffee + Mountain Dew. - Do not drink additional Caffeine. Also told him he should stop after 3 months for 4 Weeks + then start again 2 years is a long time stop for 4 Weeks. Again see a Dr.
