RE: Notice Regarding Document Review

At the request of the Board of Directors of HealthSouth Corporation, Fulbright & Jaworski L.L.P. ("Fulbright") conducted a limited review of the shredded material removed from the large shredder in the file room on the fifth floor of the Executive Office Tower. Please find attached photocopies of the shreds that matched our review criteria. This supplements the reference Fulbright made to "mittal 1753" and "175 m" on page 1, paragraph 2 of the October 29, 2002 report to the Board of Directors.
