Lanny:  
Call now if you like. I have been prohibited from releasing a draft copy of the HS Fulbright Report. I have fought and won the opportunity for you or your associate to read it at Fulbright tomorrow as early as you like. If you like otherwise, I will read it to you and discuss it with you on the phone in the morning instead. I will not get the penultimate draft until midnight at the earliest. The Report is on target with our discussions.
