

**AMENDMENT TO COMMITTEE PRINT
OFFERED BY MRS. CAPPS**

Title VII is amended by the following new subtitle at the end thereof and making the necessary conforming changes in the table of contents:

1 **Subtitle J—Protecting State**
2 **Flexibility.**

3 **SEC. 7201. STANDARD MARKET DESIGN.**

4 No final rule issued by the Federal Energy Regu-
5 latory Commission regarding standard market design shall
6 apply to the sale or transmission of electricity within a
7 State if that State has notified the Commission that it
8 has determined that application of the rule would harm
9 consumers within the State. The preceding sentence shall
10 not apply to any State any portion of which is covered
11 by the New England Independent System Operator, the
12 PJM Independent System Operator, or the New York
13 Independent System Operator.

AMENDMENT TO COMMITTEE PRINT
OFFERED BY MRS. CAPPS

Add the following new title at the end of the committee print and make the necessary conforming changes in the table of contents:

1 **TITLE X—PROTECTING STATE**
2 **FLEXIBILITY**

3 **SEC. 10001. STANDARD MARKET DESIGN.**

4 No final rule issued by the Federal Energy Regu-
5 latory Commission regarding standard market design shall
6 apply to the sale or transmission of electricity within a
7 State if that State has notified the Commission that it
8 has determined that application of the rule would harm
9 consumers within the State. The preceding sentence shall
10 not apply to any State any portion of which is covered
11 by the New England Independent System Operator, the
12 PJM Independent System Operator, or the New York
13 Independent System Operator.
