Gentlemen:

This is to respond to your request for information sent to Ralston Foods, Inc. which was set forth in your letter of May 8, 2008. On May 20, 2008, Mr. David Nelson granted us an additional seven days within which to provide our response to the Committee.

We are providing this response on behalf of Ralston Foods, which is a division of Ralcorp Holdings, Inc. The current business activities of Ralston Foods include the production and sales of ready-to-eat and hot cereals and cereal-based snack mixes ("Ralston"). Also included within the Ralston Foods business unit are two recently acquired companies, Medallion Foods, Inc. ("Medallion") and Bloomfield Bakers LP/Lovin Oven LLC ("Bloomfield"), which we acquired on June 22, 2005 and March 16, 2007 respectively. Medallion manufactures corn chips and tortilla chips, while Bloomfield manufactures a variety of bars, cereals, cookies and crackers. This response is limited to Ralston Foods and does not include information from other business units of Ralcorp Holdings. We are willing to expand the scope of your original request and include information on the other Ralcorp Holdings companies if you would like us to do so.

Ralston Foods' response to the questions posed by the Committee concerning Ralston, Medallion and Bloomfield are set forth on the Attachment to the letter.

Sincerely,

RALSTON FOODS
