Dear Chairman Dingell, Ranking Member Barton, Chairman Markey, and Ranking Member Stearns:

I am writing to provide RCN Corporation's ("RCN") response to the questions in your letter of August 1, 2008, regarding the growing trend of companies tailoring Internet advertising based upon consumers' Internet search, surfing, or other use. While RCN is aware of the opportunity to serve its customers with Internet advertising tailored to the customer's interests, we also are aware of the privacy concerns surrounding the practice. To date RCN has not tailored, or facilitated the tailoring of, Internet advertising to its customers based on consumers' Internet search, surfing, or other use, and has no current plans to do so. Therefore, the remainder of the Committees' questions are inapplicable to RCN.
