

**AMENDMENT TO THE COMMITTEE PRINT  
OFFERED BY MR. BARROW OF GEORGIA**

Page 10, line 24, insert “As a preliminary step to determining the economic justifiability of establishing any such regional standard, the Secretary shall conduct a study involving stakeholders, including but not limited to a representative from the National Institute of Standards and Technology; representatives of nongovernmental advocacy organizations; representatives of product manufacturers, distributors, and installers; representatives of the gas and electric utility industries; and such other individuals as the Secretary may designate. Such study shall determine the potential benefits and consequences of prescribing regional standards for heating and cooling products, and may, if favorable to such standards, constitute the evidence of economic justifiability required under this Act.” after “within that region.”.
