1                   “(C) EXAMINATION OF PROCESS.—

2                   “(i) EXAMINATION OF SELECTION  
3                   PROCESS.—The Secretary shall evaluate  
4                   the selection process for inclusion of condi-  
5                   tions and disorders in the Manual referred  
6                   to in subparagraph (A) and shall deter-  
7                   mine whether the selection was made by  
8                   Committees of the American Psychiatric  
9                   Association in a manner that scientifically  
10                  objective and unbiased, based on valid  
11                  medical evidence, and does not pose a sig-  
12                  nificant conflict of interest.

13                  “(ii) LIMITATION ON APPLICATION.—  
14                  Subparagraph (A) shall only apply to a  
15                  condition or disorder to the extent the Sec-  
16                  retary has found that that selection proc-  
17                  ess for the condition or disorder was sci-

1                   entifically objective and unbiased, based on  
2                   valid medical evidence and did not pose a  
3                   significant conflict of interest.
