

FDA Legislation

"This Discussion Draft is meant to stimulate discussion about how to provide adequate funding and authority for FDA to ensure the safety of the Nation's food, drug, medical device and cosmetic supply in an increasingly globalized marketplace. The intention is to hold legislative hearings on the draft over the next few weeks and to markup legislation shortly thereafter." -- April 17, 2008 Memorandum

Updated Draft - Drug section of the Discussion Draft of the Food and Drug Administration Globalization Act

Discussion Draft

Section-by-Section Analysis
