

Rules of the Committee on Energy and Commerce

Rules for the Committee on Energy and Commerce

110th Congress

Rule 1. General Provisions. (a) Rules of the Committee. The Rules of the House are the rules of the Committee on Energy and Commerce (hereinafter the "Committee") and its subcommittees so far as is applicable, except that a motion to recess from day to day, and a motion to dispense with the first reading (in full) of a bill or resolution, if printed copies are available, is non-debatable and privileged in the Committee and its subcommittees.

(b) Rules of the Subcommittees. Each subcommittee of the Committee is part of the Committee and is subject to the authority and direction of the Committee and to its rules so far as applicable. Written rules adopted by the Committee, not inconsistent with the Rules of the House, shall be binding on each subcommittee of the Committee.

Rule 2. Time and Place of Meetings. (a) Regular Meeting Days. The Committee shall meet on the fourth Tuesday of each month at 10 a.m., for the consideration of bills, resolutions, and other business, if the House is in session on that day. If the House is not in session on that day and the Committee has not met during such month, the Committee shall meet at the earliest practicable opportunity when the House is again in session. The chairman of the Committee may, at his discretion, cancel, delay, or defer any meeting required under this section, after consultation with the ranking minority member.

(b) Additional Meetings. The chairman may call and convene, as he considers necessary, additional meetings of the Committee for the consideration of any bill or resolution pending before the Committee or for the conduct of other Committee business. The Committee shall meet for such purposes pursuant to that call of the chairman.

(c) Vice Chairmen; Presiding Member. The chairman shall designate a member of the majority party to serve as vice chairman of the Committee, and shall designate a majority member of each subcommittee to serve as vice chairman of each subcommittee. The vice chairman of the Committee or subcommittee, as the case may be, shall preside at any meeting or hearing during the temporary absence of the chairman. If the chairman and vice chairman of the Committee or subcommittee are not present at any meeting or hearing, the ranking member of the majority party who is present shall preside at the meeting or hearing.

(d) Open Meetings and Hearings. Except as provided by the Rules of the House, each meeting of the Committee or any of its subcommittees for the transaction of business, including the markup of legislation, and each hearing, shall be open to the public including to radio, television and still photography coverage, consistent with the provisions of Rule XI of the Rules of the House.

Rule 3. Agenda. The agenda for each Committee or subcommittee meeting (other than a hearing), setting out the date, time, place, and all items of business to be considered, shall be provided to each member of the Committee at least 36 hours in advance of such meeting.

Rule 4. Procedure. (a)(1) Hearings. The date, time, place, and subject matter of any hearing of the Committee or any of its subcommittees shall be announced at least one week in advance of the commencement of such hearing, unless the Committee or subcommittee determines in accordance with clause 2(g)(3) of Rule XI of the Rules of the House that there is good cause to begin the hearing sooner.

(2)(A) Meetings. The date, time, place, and subject matter of any meeting (other than a hearing) scheduled on a Tuesday, Wednesday, or Thursday when the House will be in session, shall be announced at least 36 hours (exclusive of Saturdays, Sundays, and legal holidays except when the House is in session on such days) in advance of the commencement of such meeting.

(3) Motions. Pursuant to clause 1(a)(2) of rule XI of the Rules of the House, privileged motions to recess from day to day, or recess subject to the call of the Chair (within 24 hours), and to dispense with the first reading (in full) of a bill or resolution if printed copies are available shall be decided without debate.

(B) Other Meetings. The date, time, place, and subject matter of a meeting (other than a hearing or a meeting to which subparagraph (A) applies) shall be announced at least 72 hours in advance of the commencement of such meeting.

(b)(1) Requirements for Testimony. Each witness who is to appear before the Committee or a subcommittee shall file with the clerk of the Committee, at least two working days in advance of his or her appearance, sufficient copies, as determined by the chairman of the Committee or a subcommittee, of a written statement of his or her proposed testimony to provide to members and staff of the Committee or subcommittee, the news media, and the general public. Each witness shall, to the greatest extent practicable, also provide a copy of such written testimony in an electronic format prescribed by the chairman. Each witness shall limit his or her oral presentation to a brief summary of the argument. The chairman of the Committee or of a subcommittee, or the presiding member, may waive the requirements of this paragraph or any part thereof.

(2) Additional Requirements for Testimony. To the greatest extent practicable, the written testimony of each witness appearing in a non-governmental capacity shall include a curriculum vitae and a disclosure of the amount and source (by agency and program) of any federal grant (or subgrant thereof) or contract (or subcontract thereof) received during the current fiscal year or either of the two preceding fiscal years by the witness or by an entity represented by the witness.

(c)(1) Questioning Witnesses. The right to interrogate the witnesses before the Committee or any of its subcommittees shall alternate between majority and minority members. Each member shall be limited to 5 minutes in the interrogation of witnesses until such time as each member who so desires has had an opportunity to question witnesses. No member shall be recognized for a second period of 5 minutes to interrogate a witness until each member of the Committee present has been recognized once for that purpose. While the Committee or subcommittee is operating under the 5-minute rule for the interrogation of witnesses, the chairman shall recognize in order of appearance members who were not present when the meeting was called to order after all members who were present when the meeting was called to order have been recognized in the order of seniority on the Committee or subcommittee, as the case may be.

(2) Questions for the Record. Each member may submit to the Chairman of the Committee or the subcommittee additional questions for the record, to be answered by the witnesses who have appeared. Each member shall provide a copy of the questions in an electronic format to the clerk of the Committee no later than ten business days following a hearing. The Chairman shall transmit all questions received from members of the Committee or the subcommittee to the appropriate witness, and include the transmittal letter and the responses from the witnesses in the hearing record.

(d) Explanation of Subcommittee Action. No bill, recommendation, or other matter reported by a subcommittee shall be considered by the full Committee unless the text of the matter reported, together with an explanation, has been available to members of the Committee for at least 36 hours. Such explanation shall include a summary of the major provisions of the legislation, an explanation of the relationship of the matter to present law, and a summary of the need for the legislation. All subcommittee actions shall be reported promptly by the clerk of the Committee to all members of the Committee.

(e) Opening Statements. (1) All written opening statements at hearings conducted by the committee or any of its subcommittees shall be made part of the permanent hearing record.

(2) Statements shall be limited to 5 minutes each for the chairman and ranking minority member (or their respective designee) of the Committee or subcommittee, as applicable, and 3 minutes each for all other members. With the consent of the Committee, prior to the recognition of the first witness for testimony, any Member, when recognized for an opening statement, may completely defer his or her opening statement and instead use those three minutes during the initial round of questioning.

(3) At any hearing of the full Committee, the chairman may limit opening statements for Members (including, at the discretion of the Chairman, the chairman and ranking minority member) to one minute. At any hearing conducted by any subcommittee, the chairman of that subcommittee, with the consent of its ranking minority member, may reduce the time for statements by members or defer statements until the conclusion of testimony.

Rule 5. Waiver of Agenda, Notice, and Layover Requirements. Requirements of rules 3, 4(a)(2), and 4(d) may be waived by a majority of those present and voting (a majority being present) of the Committee or subcommittee, as the case may be.

Rule 6. Quorum. Testimony may be taken and evidence received at any hearing at which there are present not fewer than two members of the Committee or subcommittee in question. A majority of the members of the Committee shall constitute a quorum for the purposes of reporting any measure or matter, of authorizing a subpoena, or of closing a meeting or hearing pursuant to clause 2(g) of Rule XI of the Rules of the House (except as provided in clause 2(g)(2)(A) and (B)). For the purposes of taking any action other than those specified in the preceding sentence, one-third of the members of the Committee or subcommittee shall constitute a quorum.

Rule 7. Official Committee Records. (a)(1) Journal. The proceedings of the Committee shall be recorded in a journal which shall, among other things, show those present at each meeting, and include a record of the vote on any question on which a record vote is demanded and a description of the amendment, motion, order, or other proposition voted. A copy of the journal shall be furnished to the ranking minority member.

(2) Record Votes. A record vote may be demanded by one-fifth of the members present or, in the apparent absence of a quorum, by any one member. No demand for a record vote shall be made or obtained except for the purpose of procuring a record vote or in the apparent absence of a quorum. The result of each record vote in any meeting of the Committee shall be made available in the Committee office for inspection by the public, as provided in Rule XI, clause 2(e) of the Rules of the House.

(b) Archived Records. The records of the Committee at the National Archives and Records Administration shall be made available for public use in accordance with Rule VII of the Rules of the House. The chairman shall notify the ranking minority member of any decision, pursuant to clause 3 (b)(3) or clause 4 (b) of the Rule, to withhold a record otherwise available, and the matter shall be presented to the Committee for a determination on the written request of any member of the Committee. The chairman shall consult with the ranking minority member on any communication from the Archivist of the United States or the Clerk of the House concerning the disposition of noncurrent records pursuant to clause 3(b) of the Rule.

Rule 8. Subcommittees. There shall be such standing subcommittees with such jurisdiction and size as determined by the majority party caucus of the Committee. The jurisdiction, number, and size of the subcommittees shall be determined by the majority party caucus prior to the start of the process for establishing subcommittee chairmanships and assignments.

Rule 9. Powers and Duties of Subcommittees. Each subcommittee is authorized to meet, hold hearings, receive testimony, mark up legislation, and report to the Committee on all matters referred to it. Subcommittee chairmen shall set hearing and meeting dates only with the approval of the chairman of the Committee with a view toward assuring the availability of meeting rooms and avoiding simultaneous scheduling of Committee and subcommittee meetings or hearings whenever possible.

Rule 10. Reference of Legislation and Other Matters. All legislation and other matters referred to the Committee shall be referred to the subcommittee of appropriate jurisdiction within two weeks of the date of receipt by the Committee unless action is taken by the full committee within those two weeks, or by majority vote of the members of the Committee, consideration is to be by the full Committee. In the case of legislation or other matter within the jurisdiction of more than one subcommittee, the chairman of the Committee may, in his discretion, refer the matter simultaneously to two or more subcommittees for concurrent consideration, or may designate a subcommittee of primary jurisdiction and also refer the matter to one or more additional subcommittees for consideration in sequence (subject to appropriate time limitations), either on its initial referral or after the matter has been reported by the subcommittee of primary jurisdiction. Such authority shall include the authority to refer such legislation or matter to an ad hoc subcommittee appointed by the chairman, with the approval of the Committee, from the members of the subcommittee having legislative or oversight jurisdiction.

Rule 11. Ratio of Subcommittees. The majority caucus of the Committee shall determine an appropriate ratio of majority to minority party members for each subcommittee and the chairman shall negotiate that ratio with the minority party, provided that the ratio of party members on each subcommittee shall be no less favorable to the majority than that of the full Committee, nor shall such ratio provide for a majority of less than two majority members.

Rule 12. Subcommittee Membership. (a) Selection of Subcommittee Members. Prior to any organizational meeting held by the Committee, the majority and minority caucuses shall select their respective members of the standing

subcommittees.

(b) Ex Officio Members. The chairman and ranking minority member of the Committee shall be ex officio members with voting privileges of each subcommittee of which they are not assigned as members and may be counted for purposes of establishing a quorum in such subcommittees.

Rule 13. Managing Legislation on the House Floor. The chairman, in his discretion, shall designate which member shall manage legislation reported by the Committee to the House.

Rule 14. Committee Professional and Clerical Staff Appointments. (a) Delegation of Staff. Whenever the chairman of the Committee determines that any professional staff member appointed pursuant to the provisions of clause 9 of Rule X of the House of Representatives, who is assigned to such chairman and not to the ranking minority member, by reason of such professional staff member's expertise or qualifications will be of assistance to one or more subcommittees in carrying out their assigned responsibilities, he may delegate such member to such subcommittees for such purpose. A delegation of a member of the professional staff pursuant to this subsection shall be made after consultation with subcommittee chairmen and with the approval of the subcommittee chairman or chairmen involved.

(b) Minority Professional Staff. Professional staff members appointed pursuant to clause 9 of Rule X of the House of Representatives, who are assigned to the ranking minority member of the Committee and not to the chairman of the Committee, shall be assigned to such Committee business as the minority party members of the Committee consider advisable.

(c) Additional Staff Appointments. In addition to the professional staff appointed pursuant to clause 9 of Rule X of the House of Representatives, the chairman of the Committee shall be entitled to make such appointments to the professional and clerical staff of the Committee as may be provided within the budget approved for such purposes by the Committee. Such appointee shall be assigned to such business of the full Committee as the chairman of the Committee considers advisable.

(d) Sufficient Staff. The chairman shall ensure that sufficient staff is made available to each subcommittee to carry out its responsibilities under the rules of the Committee.

(e) Fair Treatment of Minority Members in Appointment of Committee Staff. The chairman shall ensure that the minority members of the Committee are treated fairly in appointment of Committee staff.

(f) Contracts for Temporary or Intermittent Services. Any contract for the temporary services or intermittent service of individual consultants or organizations to make studies or advise the Committee or its subcommittees with respect to any matter within their jurisdiction shall be deemed to have been approved by a majority of the members of the Committee if approved by the chairman and ranking minority member of the Committee. Such approval shall not be deemed to have been given if at least one-third of the members of the Committee request in writing that the Committee formally act on such a contract, if the request is made within 10 days after the latest date on which such chairman or chairmen, and such ranking minority member or members, approve such contract.

Rule 15. Supervision, Duties of Staff. (a) Supervision of Majority Staff. The professional and clerical staff of the Committee not assigned to the minority shall be under the supervision and direction of the chairman who, in consultation with the chairmen of the subcommittees, shall establish and assign the duties and responsibilities of such staff members and delegate such authority as he determines appropriate.

(b) Supervision of Minority Staff. The professional and clerical staff assigned to the minority shall be under the supervision and direction of the minority members of the Committee, who may delegate such authority as they determine appropriate.

Rule 16. Committee Budget. (a) Preparation of Committee Budget. The chairman of the Committee, after consultation with the ranking minority member of the Committee and the chairmen of the subcommittees, shall for the 110th Congress prepare a preliminary budget for the Committee, with such budget including necessary amounts for professional and clerical staff, travel, investigations, equipment and miscellaneous expenses of the Committee and the subcommittees, and which shall be adequate to fully discharge the Committee's responsibilities for legislation and oversight. Such budget shall be presented by the chairman to the majority party caucus of the Committee and thereafter to the full Committee for its approval.

(b) Approval of the Committee Budget. The chairman shall take whatever action is necessary to have the budget as finally approved by the Committee duly authorized by the House. No proposed Committee budget may be submitted to the Committee on House Administration unless it has been presented to and approved by the majority party caucus and thereafter by the full Committee. The chairman of the Committee may authorize all necessary expenses in accordance with these rules and within the limits of the Committee's budget as approved by the House.

(c) Monthly Expenditures Report. Committee members shall be furnished a copy of each monthly report, prepared by the chairman for the Committee on House Administration, which shows expenditures made during the reporting period and cumulative for the year by the Committee and subcommittees, anticipated expenditures for the projected Committee program, and detailed information on travel.

Rule 17. Broadcasting of Committee Hearings. Any meeting or hearing that is open to the public may be covered in whole or in part by radio or television or still photography, subject to the requirements of clause 4 of Rule XI of the Rules of the House. The coverage of any hearing or other proceeding of the Committee or any subcommittee thereof by television, radio, or still photography shall be under the direct supervision of the chairman of the Committee, the subcommittee chairman, or other member of the Committee presiding at such hearing or other proceeding and may be terminated by such member in accordance with the Rules of the House.

Rule 18. Comptroller General Audits. The chairman of the Committee is authorized to request verification examinations by the Comptroller General of the United States pursuant to Title V, Part A of the Energy Policy and Conservation Act (Public Law 94-163), after consultation with the members of the Committee.

Rule 19. Subpoenas. The Committee, or any subcommittee, may authorize and issue a subpoena under clause

2(m)(2)(A) of Rule XI of the House, if authorized by a majority of the members of the Committee or subcommittee (as the case may be) voting, a quorum being present. Authorized subpoenas may be issued over the signature of the chairman of the Committee or any member designated by the Committee, and may be served by any person designated by such chairman or member. The chairman of the Committee may authorize and issue subpoenas under such clause during any period for which the House has adjourned for a period in excess of 3 days when, in the opinion of the chairman, authorization and issuance of the subpoena is necessary to obtain the material set forth in the subpoena. The chairman shall report to the members of the Committee on the authorization and issuance of a subpoena during the recess period as soon as practicable but in no event later than one week after service of such subpoena.

Rule 20. Travel of Members and Staff. (a) Approval of Travel. Consistent with the primary expense resolution and such additional expense resolutions as may have been approved, travel to be reimbursed from funds set aside for the Committee for any member or any staff member shall be paid only upon the prior authorization of the chairman. Travel may be authorized by the chairman for any member and any staff member in connection with the attendance of hearings conducted by the Committee or any subcommittee thereof and meetings, conferences, and investigations which involve activities or subject matter under the general jurisdiction of the Committee. Before such authorization is given there shall be submitted to the chairman in writing the following: (1) the purpose of the travel; (2) the dates during which the travel is to be made and the date or dates of the event for which the travel is being made; (3) the location of the event for which the travel is to be made; and (4) the names of members and staff seeking authorization.

(b) Approval of Travel by Minority Members and Staff. In the case of travel by minority party members and minority party professional staff for the purpose set out in (a), the prior approval, not only of the chairman but also of the ranking minority member, shall be required. Such prior authorization shall be given by the chairman only upon the representation by the ranking minority member in writing setting forth those items enumerated in (1), (2), (3), and (4) of paragraph (a).

January 4, 2007

RULE XI: PROCEDURES OF COMMITTEES AND

UNFINISHED BUSINESS

Clause 2: Committee Rules

Adoption of written rules

2. (a)(1) Each standing committee shall adopt written rules governing its procedure. Such rules-

(A) shall be adopted in a meeting that is open to the public unless the committee, in open session and with a quorum present, determines by record vote that all or part of the meeting on that day shall be closed to the public;

(B) may not be inconsistent with the Rules of the House or with those provisions of law having the force and effect of

Rules of the House; and

(C) shall in any event incorporate all of the succeeding provisions of this clause to the extent applicable.

(2) Each committee shall submit its rules for publication in the Congressional Record not later than 30 days after the committee is elected in each odd-numbered year.

(3) A committee may adopt a rule providing that the chairman be directed to offer a motion under clause 1 of rule XXII whenever the chairman considers it appropriate.

Regular meeting days

(b) Each standing committee shall establish regular meeting days for the conduct of its business, which shall be not less frequent than monthly. Each such committee shall meet for the consideration of a bill or resolution pending before the committee or the transaction of other committee business on all regular meeting days fixed by the committee unless otherwise provided by written rule adopted by the committee.

Additional and special meetings

(c)(1) The chairman of each standing committee may call and convene, as he considers necessary, additional and special meetings of the committee for the consideration of a bill or resolution pending before the committee or for the conduct of other committee business, subject to such rules as the committee may adopt. The committee shall meet for such purpose under that call of the chairman.

(2) Three or more members of a standing committee may file in the offices of the committee a written request that the chairman call a special meeting of the committee. Such request shall specify the measure or matter to be considered. Immediately upon the filing of the request, the clerk of the committee shall notify the chairman of the filing of the request. If the chairman does not call the requested special meeting within three calendar days after the filing of the request (to be held within seven calendar days after the filing of the request) a majority of the members of the committee may file in the offices of the committee their written notice that a special meeting of the committee will be held. The written notice shall specify the date and hour of the special meeting and the measure or matter to be considered. The committee shall meet on that date and hour. Immediately upon the filing of the notice, the clerk of the committee shall notify all members of the committee that such special meeting will be held and inform them of its date and hour and the measure or matter to be considered. Only the measure or matter specified in that notice may be considered at that special meeting.

Temporary absence of chairman

(d) A member of the majority party on each standing committee or subcommittee hereof shall be designated by the chairman of the full committee as the vice chairman of the committee or subcommittee, as the case may be, and shall preside during the absence of the chairman from any meeting. If the chairman and vice chairman of a committee or subcommittee are not present at any meeting of the committee or subcommittee, the ranking majority member who is present shall preside at that meeting.

Committee records

(e)(1)(A) Each committee shall keep a complete record of all committee action which shall include-

(i) in the case of a meeting or hearing transcript, a substantially verbatim account of remarks actually made during the proceedings, subject only to technical, grammatical, and typographical corrections authorized by the person making the remarks involved; and

(ii) a record of the votes on any question on which a record vote is demanded.

(B)(i) Except as provided in subdivision (B)(ii) and subject to paragraph (k)(7), the result of each such record vote shall be made available by the committee for inspection by the public at reasonable times in its offices. Information so available for public inspection shall include a description of the amendment, motion, order, or other proposition, the name of each member voting for and each member voting against such amendment, motion, order, or proposition, and the names of those members of the committee present but not voting.

(ii) The result of any record vote taken in executive session in the Committee on Standards of Official Conduct may not be made available for inspection by the public without an affirmative vote of a majority of the members of the committee.

(2)(A) Except as provided in subdivision (B), all committee hearings, records, data, charts, and files shall be kept separate and distinct from the congressional office records of the member serving as its chairman. Such records shall be the property of the House, and each Member, Delegate, and the Resident Commissioner shall have access thereto.

(B) A Member, Delegate, or Resident Commissioner, other than members of the Committee on Standards of Official Conduct, may not have access to the records of that committee respecting the conduct of a Member, Delegate, Resident Commissioner, officer, or employee of the House without the specific prior permission of that committee.

(3) Each committee shall include in its rules standards for availability of records of the committee delivered to the Archivist of the United States under rule VII. Such standards shall specify procedures for orders of the committee under clause 3(b)(3) and clause 4(b) of rule VII, including a requirement that nonavailability of a record for a period longer than

the period otherwise applicable under that rule shall be approved by vote of the committee.

(4) Each committee shall make its publications available in electronic form to the maximum extent feasible.

Prohibition against proxy voting

(f) A vote by a member of a committee or subcommittee with respect to any measure or matter may not be cast by proxy.

Open meetings and hearings

(g)(1) Each meeting for the transaction of business, including the markup of legislation, by a standing committee or subcommittee thereof (other than the Committee on Standards of Official Conduct or its subcommittees) shall be open to the public, including to radio, television, and still photography coverage, except when the committee or subcommittee, in open session and with a majority present, determines by record vote that all or part of the remainder of the meeting on that day shall be in executive session because disclosure of matters to be considered would endanger national security, would compromise sensitive law enforcement information, would tend to defame, degrade, or incriminate any person, or otherwise would violate a law or rule of the House. Persons, other than members of the committee and such noncommittee Members, Delegates, Resident Commissioner, congressional staff, or departmental representatives as the committee may authorize, may not be present at a business or markup session that is held in executive session. This subparagraph does not apply to open committee hearings, which are governed by clause 4(a)(1) of rule X or by subparagraph (2).

(2)(A) Each hearing conducted by a committee or subcommittee (other than the Committee on Standards of Official Conduct or its subcommittees) shall be open to the public, including to radio, television, and still photography coverage, except when the committee or subcommittee, in open session and with a majority present, determines by record vote that all or part of the remainder of that hearing on that day shall be closed to the public because disclosure of testimony, evidence, or other matters to be considered would endanger national security, would compromise sensitive law enforcement information, or would violate a law or rule of the House.

(B) Notwithstanding the requirements of subdivision (A), in the presence of the number of members required under the rules of the committee for the purpose of taking testimony, a majority of those present may-

(i) agree to close the hearing for the sole purpose of discussing whether testimony or evidence to be received would endanger national security, would compromise sensitive law enforcement information, or would violate clause 2(k)(5); or

(ii) agree to close the hearing as provided in clause 2(k)(5).

(C) A Member, Delegate, or Resident Commissioner may not be excluded from nonparticipatory attendance at a hearing of a committee or subcommittee (other than the Committee on Standards of Official Conduct or its subcommittees) unless the House by majority vote authorizes a particular committee or subcommittee, for purposes of a particular series of hearings on a particular article of legislation or on a particular subject of investigation, to close its hearings to Members, Delegates, and the Resident Commissioner by the same procedures specified in this subparagraph for closing hearings to the public.

(D) The committee or subcommittee may vote by the same procedure described in this subparagraph to close one subsequent day of hearing, except that the Committee on Appropriations, the Committee on Armed Services, and the Permanent Select Committee on Intelligence, and the subcommittees thereof, may vote by the same procedure to close up to five additional, consecutive days of hearings.

(3) The chairman of each committee (other than the Committee on Rules) shall make public announcement of the date, place, and subject matter of a committee hearing at least one week before the commencement of the hearing. If the chairman of the committee, with the concurrence of the ranking minority member, determines that there is good cause to begin a hearing sooner, or if the committee so determines by majority vote in the presence of the number of members required under the rules of the committee for the transaction of business, the chairman shall make the announcement at the earliest possible date. An announcement made under this subparagraph shall be published promptly in the Daily Digest and made available in electronic form.

(4) Each committee shall, to the greatest extent practicable, require witnesses who appear before it to submit in advance written statements of proposed testimony and to limit their initial presentations to the committee to brief summaries thereof. In the case of a witness appearing in a nongovernmental capacity, a written statement of proposed testimony shall include a curriculum vitae and a disclosure of the amount and source (by agency and program) of each Federal grant (or subgrant thereof) or contract (or subcontract thereof) received during the current fiscal year or either of the two previous fiscal years by the witness or by an entity represented by the witness.

(5)(A) Except as provided in subdivision (B), a point of order does not lie with respect to a measure reported by a committee on the ground that hearings on such measure were not conducted in accordance with this clause.

(B) A point of order on the ground described in subdivision (A) may be made by a member of the committee that reported the measure if such point of order was timely made and improperly disposed of in the committee.

(6) This paragraph does not apply to hearings of the Committee on Appropriations under clause 4(a)(1) of rule X.

Quorum requirements

(h)(1) A measure or recommendation may not be reported by a committee unless a majority of the committee is actually present.

(2) Each committee may fix the number of its members to constitute a quorum for taking testimony and receiving evidence, which may not be less than two.

(3) Each committee (other than the Committee on Appropriations, the Committee on the Budget, and the Committee on Ways and Means) may fix the number of its members to constitute a quorum for taking any action other than one for which the presence of a majority of the committee is otherwise required, which may not be less than one-third of the members.

(4)(A) Each committee may adopt a rule authorizing the chairman of a committee or subcommittee-

(i) to postpone further proceedings when a record vote is ordered on the question of approving a measure or matter or on adopting an amendment; and

(ii) to resume proceedings on a postponed question at any time after reasonable notice.

(B) A rule adopted pursuant to this subparagraph shall provide that when proceedings resume on a postponed question, notwithstanding any intervening order for the previous question, an underlying proposition shall remain subject to further debate or amendment to the same extent as when the question was postponed.

Limitation on committee sittings

(i) A committee may not sit during a joint session of the House and Senate or during a recess when a joint meeting of the House and Senate is in progress.

Calling and questioning of witnesses

(j)(1) Whenever a hearing is conducted by a committee on a measure or matter, the minority members of the committee shall be entitled, upon request to the chairman by a majority of them before the completion of the hearing, to call witnesses selected by the minority to testify with respect to that measure or matter during at least one day of hearing thereon.

(2)(A) Subject to subdivisions (B) and (C), each committee shall apply the five-minute rule during the questioning of witnesses in a hearing until such time as each member of the committee who so desires has had an opportunity to question each witness.

(B) A committee may adopt a rule or motion permitting a specified number of its members to question a witness for longer than five minutes. The time for extended questioning of a witness under this subdivision shall be equal for the majority party and the minority party and may not exceed one hour in the aggregate.

(C) A committee may adopt a rule or motion permitting committee staff for its majority and minority party members to question a witness for equal specified periods. The time for extended questioning of a witness under this subdivision shall be equal for the majority party and the minority party and may not exceed one hour in the aggregate.

Hearing procedures

(k)(1) The chairman at a hearing shall announce in an opening statement the subject of the hearing.

(2) A copy of the committee rules and of this clause shall be made available to each witness on request.

(3) Witnesses at hearings may be accompanied by their own counsel for the purpose of advising them concerning their constitutional rights.

(4) The chairman may punish breaches of order and decorum, and of professional ethics on the part of counsel, by censure and exclusion from the hearings; and the committee may cite the offender to the House for contempt.

(5) Whenever it is asserted by a member of the committee that the evidence or testimony at a hearing may tend to defame, degrade, or incriminate any person, or it is asserted by a witness that the evidence or testimony that the witness would give at a hearing may tend to defame, degrade, or incriminate the witness-

(A) notwithstanding paragraph (g)(2), such testimony or evidence shall be presented in executive session if, in the presence of the number of members required under the rules of the committee for the purpose of taking testimony, the committee determines by vote of a majority of those present that such evidence or testimony may tend to defame, degrade, or incriminate any person; and

(B) the committee shall proceed to receive such testimony in open session only if the committee, a majority being present, determines that such evidence or testimony will not tend to defame, degrade, or incriminate any person. In

either case the committee shall afford such person an opportunity voluntarily to appear as a witness, and receive and dispose of requests from such person to subpoena additional witnesses.

(6) Except as provided in subparagraph (5), the chairman shall receive and the committee shall dispose of requests to subpoena additional witnesses.

(7) Evidence or testimony taken in executive session, and proceedings conducted in executive session, may be released or used in public sessions only when authorized by the committee, a majority being present.

(8) In the discretion of the committee, witnesses may submit brief and pertinent sworn statements in writing for inclusion in the record. The committee is the sole judge of the pertinence of testimony and evidence adduced at its hearing.

(9) A witness may obtain a transcript copy of his testimony given at a public session or, if given at an executive session, when authorized by the committee.

Supplemental, minority, or additional views

(I) If at the time of approval of a measure or matter by a committee (other than the Committee on Rules) a member of the committee gives notice of intention to file supplemental, minority, or additional views for inclusion in the report to the House thereon, that member shall be entitled to not less than two additional calendar days after the day of such notice (excluding Saturdays, Sundays, and legal holidays except when the House is in session on such a day) to file such views, in writing and signed by that member, with the clerk of the committee.

Power to sit and act; subpoena power

(m)(1) For the purpose of carrying out any of its functions and duties under this rule and rule X (including any matters referred to it under clause 2 of rule XII), a committee or subcommittee is authorized (subject to subparagraph (3)(A))-

(A) to sit and act at such times and places within the United States, whether the House is in session, has recessed, or has adjourned, and to hold such hearings as it considers necessary; and

(B) to require, by subpoena or otherwise, the attendance and testimony of such witnesses and the production of such books, records, correspondence, memoranda, papers, and documents as it considers necessary.

(2) The chairman of the committee, or a member designated by the chairman, may administer oaths to witnesses.

(3)(A)(i) Except as provided in subdivision (A)(ii), a subpoena may be authorized and issued by a committee or subcommittee under subparagraph (1)(B) in the conduct of an investigation or series of investigations or activities only when authorized by the committee or subcommittee, a majority being present. The power to authorize and issue subpoenas under subparagraph (1)(B) may be delegated to the chairman of the committee under such rules and under such limitations as the committee may prescribe. Authorized subpoenas shall be signed by the chairman of the committee or by a member designated by the committee.

(ii) In the case of a subcommittee of the Committee on Standards of Official Conduct, a subpoena may be authorized and issued only by an affirmative vote of a majority of its members.

(B) A subpoena duces tecum may specify terms of return other than at a meeting or hearing of the committee or subcommittee authorizing the subpoena.

(C) Compliance with a subpoena issued by a committee or subcommittee

under subparagraph (1)(B) may be enforced only as authorized or directed by the House.

Clause 4: Audio and visual coverage of committee proceedings

4. (a) The purpose of this clause is to provide a means, in conformity with acceptable standards of dignity, propriety, and decorum, by which committee hearings or committee meetings that are open to the public may be covered by audio and visual means-

(1) for the education, enlightenment, and information of the general public, on the basis of accurate and impartial news coverage, regarding the operations, procedures, and practices of the House as a legislative and representative body, and regarding the measures, public issues, and other matters before the House and its committees, the consideration

thereof, and the action taken thereon; and

(2) for the development of the perspective and understanding of the general public with respect to the role and function of the House under the Constitution as an institution of the Federal Government.

(b) In addition, it is the intent of this clause that radio and television tapes and television film of any coverage under this clause may not be used, or made available for use, as partisan political campaign material to promote or oppose the candidacy of any person for elective public office.

(c) It is, further, the intent of this clause that the general conduct of each meeting (whether of a hearing or otherwise) covered under authority of this clause by audio or visual means, and the personal behavior of the committee members and staff, other Government officials and personnel, witnesses, television, radio, and press media personnel, and the general public at the hearing or other meeting, shall be in strict conformity with and observance of the acceptable standards of dignity, propriety, courtesy, and decorum traditionally observed by the House in its operations, and may not be such as to-

(1) distort the objects and purposes of the hearing or other meeting or the activities of committee members in connection with that hearing or meeting or in connection with the general work of the committee or of the House; or

(2) cast discredit or dishonor on the House, the committee, or a Member, Delegate, or Resident Commissioner or bring the House, the committee, or a Member, Delegate, or Resident Commissioner into disrepute.

(d) The coverage of committee hearings and meetings by audio and visual means shall be permitted and conducted only in strict conformity with the purposes, provisions, and requirements of this clause.

(e) Whenever a hearing or meeting conducted by a committee or subcommittee is open to the public, those proceedings shall be open to coverage by audio and visual means. A committee or subcommittee chairman may not limit the number of television or still cameras to fewer than two representatives from each medium (except for legitimate space or safety considerations, in which case pool coverage shall be authorized).

(f) Each committee shall adopt written rules to govern its implementation of this clause. Such rules shall contain provisions to the following effect:

(1) If audio or visual coverage of the hearing or meeting is to be presented to the public as live coverage, that coverage shall be conducted and presented without commercial sponsorship.

(2) The allocation among the television media of the positions or the number of television cameras permitted by a committee or subcommittee chairman in a hearing or meeting room shall be in accordance with fair and equitable procedures devised by the Executive Committee of the Radio and Television Correspondents' Galleries.

(3) Television cameras shall be placed so as not to obstruct in any way the space between a witness giving evidence or testimony and any member of the committee or the visibility of that witness and that member to each other.

(4) Television cameras shall operate from fixed positions but may not be placed in positions that obstruct unnecessarily the coverage of the hearing or meeting by the other media.

(5) Equipment necessary for coverage by the television and radio media may not be installed in, or removed from, the hearing or meeting room while the committee is in session.

(6)(A) Except as provided in subdivision (B), floodlights, spotlights, strobelights, and flashguns may not be used in providing any method of coverage of the hearing or meeting.

(B) The television media may install additional lighting in a hearing or meeting room, without cost to the Government, in order to raise the ambient lighting level in a hearing or meeting room to the lowest level necessary to provide adequate television coverage of a hearing or meeting at the current state of the art of television coverage.

(7) In the allocation of the number of still photographers permitted by a committee or subcommittee chairman in a hearing or meeting room, preference shall be given to photographers from Associated Press Photos and United Press International Newspictures. If requests are made by more of the media than will be permitted by a committee or subcommittee chairman for coverage of a hearing or meeting by still photography, that coverage shall be permitted on the basis of a fair and equitable pool arrangement devised by the Standing Committee of Press Photographers.

(8) Photographers may not position themselves between the witness table and the members of the committee at any time during the course of a hearing or meeting.

(9) Photographers may not place themselves in positions that obstruct unnecessarily the coverage of the hearing by the other media.

(10) Personnel providing coverage by the television and radio media shall be currently accredited to the Radio and Television Correspondents' Galleries.

(11) Personnel providing coverage by still photography shall be currently accredited to the Press Photographers' Gallery.

(12) Personnel providing coverage by the television and radio media and by still photography shall conduct themselves and their coverage activities in an orderly and unobtrusive manner.

RULE XIII: CALENDARS AND COMMITTEE REPORTS

Clause 2: Filing and printing of reports

2. (a)(1) Except as provided in subparagraph (2), all reports of committees (other than those filed from the floor as privileged) shall be delivered to the Clerk for printing and reference to the proper calendar under the direction of the Speaker in accordance with clause 1. The title or subject of each report shall be entered on the Journal and printed in the Congressional Record.

(2) A bill or resolution reported adversely shall be laid on the table unless a committee to which the bill or resolution was referred requests at the time of the report its referral to an appropriate calendar under clause 1 or unless, within three days thereafter, a Member, Delegate, or Resident Commissioner makes such a request.

(b)(1) It shall be the duty of the chairman of each committee to report or cause to be reported promptly to the House a measure or matter approved by the committee and to take or cause to be taken steps necessary to bring the measure or matter to a vote.

(2) In any event, the report of a committee on a measure that has been approved by the committee shall be filed within seven calendar days (exclusive of days on which the House is not in session) after the day on which a written request for the filing of the report, signed by a majority of the members of the committee, has been filed with the clerk of the committee. The clerk of the committee shall immediately notify the chairman of the filing of such a request. This subparagraph does not apply to a report of the Committee on Rules with respect to a rule, joint rule, or order of business of the House, or to the reporting of a resolution of inquiry addressed to the head of an executive department.

(c) All supplemental, minority, or additional views filed under clause 2(l) of rule XI by one or more members of a committee shall be included in, and shall be a part of, the report filed by the committee with respect to a measure or matter. When time guaranteed by clause 2(l) of rule XI has expired (or, if sooner, when all separate views have been received), the committee may arrange to file its report with the Clerk not later than one hour after the expiration of such time. This clause and provisions of clause 2(l) of rule XI do not preclude the immediate filing or printing of a committee report in the absence of a timely request for the opportunity to file supplemental, minority, or additional views as provided in clause 2(l) of rule XI.

Clause 3: Content of reports

3. (a)(1) Except as provided in subparagraph (2), the report of a committee on a measure or matter shall be printed in a single volume that-

(A) shall include all supplemental, minority, or additional views that have been submitted by the time of the filing of the report; and

(B) shall bear on its cover a recital that any such supplemental, minority, or additional views (and any material submitted under paragraph (c)(3)) are included as part of the report.

(2) A committee may file a supplemental report for the correction of a technical error in its previous report on a measure or matter. A supplemental report only correcting errors in the depiction of record votes under paragraph (b) may be filed under this subparagraph and shall not be subject to the requirement in clause 4 concerning the availability of reports.

(b) With respect to each record vote on a motion to report a measure or matter of a public nature, and on any amendment offered to the measure or matter, the total number of votes cast for and against, and the names of members voting for and against, shall be included in the committee report. The preceding sentence does not apply to votes taken in executive session by the Committee on Standards of Official Conduct.

(c) The report of a committee on a measure that has been approved by the committee shall include, separately set out and clearly identified, the following:

(1) Oversight findings and recommendations under clause 2(b)(1) of rule X.

(2) The statement required by section 308(a) of the Congressional Budget Act of 1974, except that an estimate of new budget authority shall include, when practicable, a comparison of the total estimated funding level for the relevant programs to the appropriate levels under current law.

(3) An estimate and comparison prepared by the Director of the Congressional Budget Office under section 402 of the Congressional Budget Act of 1974 if timely submitted to the committee before the filing of the report.

(4) A statement of general performance goals and objectives, including outcome-related goals and objectives, for which the measure authorizes funding.

(d) Each report of a committee on a public bill or public joint resolution shall contain the following:

(1) A statement citing the specific powers granted to Congress in the Constitution to enact the law proposed by the bill or joint resolution.

(2)(A) An estimate by the committee of the costs that would be incurred in carrying out the bill or joint resolution in the fiscal year in which it is reported and in each of the five fiscal years following that fiscal year (or for the authorized duration of any program authorized by the bill or joint resolution if less than five years);

(B) a comparison of the estimate of costs described in subdivision (A) made by the committee with any estimate of such costs made by a Government agency and submitted to such committee; and

(C) when practicable, a comparison of the total estimated funding level for the relevant programs with the appropriate levels under current law.

(3)(A) In subparagraph (2) the term "Government agency" includes any department, agency, establishment, wholly owned Government corporation, or instrumentality of the Federal Government or the government of the District of Columbia.

(B) Subparagraph (2) does not apply to the Committee on Appropriations, the Committee on House Administration, the Committee on Rules, or the Committee on Standards of Official Conduct, and does not apply when a cost estimate and comparison prepared by the Director of the Congressional Budget Office under section 402 of the Congressional Budget Act of 1974 has been included in the report under paragraph (c)(3).

(e)(1) Whenever a committee reports a bill or joint resolution proposing to repeal or amend a statute or part thereof, it shall include in its report or in an accompanying document-

(A) the text of a statute or part thereof that is proposed to be repealed; and

(B) a comparative print of any part of the bill or joint resolution proposing to amend the statute and of the statute or part thereof proposed to be amended, showing by appropriate typographical devices the omissions and insertions proposed.

(2) If a committee reports a bill or joint resolution proposing to repeal or amend a statute or part thereof with a recommendation that the bill or joint resolution be amended, the comparative print required by subparagraph (1) shall reflect the changes in existing law proposed to be made by the bill or joint resolution as proposed to be amended.
