

The Voice for Health Care Consumers

August 11, 1999

Congressman John Dingell
2328 Rayburn HOB
Washington, D.C. 20515

Dear Congressman Dingell:

Congratulations on the introduction of the "Bipartisan Consensus Managed Care Improvement Act of 1999," H.R. 2723. We are well aware of the efforts you and others made to make this bill a reality.

As you know, the American public is losing faith in our health care delivery system. Managed care companies that began with the promise of providing high quality care at an affordable price are not always delivering on that promise. Unfortunately, this has resulted in consumers being worried that they will not get the care they need even though they are covered with health insurance. Your bill is a reasonable compromise proposal that can bring back balance to our health care system.

We look forward to working with you to make the "Bipartisan Consensus" bill the law of the land.

Sincerely yours,
