EXECUTIVE SUMMARY

High-integrity, energetic leader known for ability to envision and create successful outcomes in complex situations. Recognized expertise in energy and environmental affairs, in addition to longtime experience working and collaborating with governmental and nongovernmental institutions resulting in excellent political connections for global methanol industry.

Broad international experience as well as highly-attuned familiarity with respect to cultural differences and norms. Robust technical knowledge and historical information of the political environment for methanol. Able to coordinate and excel in a team environment with distinctive aptitude in public and media relations. Committed to global outreach for the trade association and expanding international membership.

PROFESSIONAL EXPERIENCE

March 1996 **METHANOL INSTITUTE**, Washington, DC
Present Acting CEO

In November 2011, elevated to the position of Acting CEO, with global responsibility in managing the trade association's Washington and Singapore offices. Previously served as Executive Director, America/Europe (July 2010) at the Methanol Institute, and as Vice President for Communications and Policy since 2001. Began service with MI from March 1996 through March 2000 as Director of Communications. Direct media relations, public education and outreach efforts for the global methanol industry trade association. Coordinate MI's international and federal relations, as well as state government relations and allied organization development. Responsible for all aspects of the financial management of the trade association. In addition, serving as Program Director for the Methanol Foundation, the research arm of the methanol industry.

April 2000 **US FUEL CELL COUNCIL**, Washington, DC
June 2001 Deputy Executive Director

Served as day-to-day manager for all activities of the trade association for the fuel cell industry. Effectively doubled the membership roster, while adding significant new membership benefits. Established weekly newsletter, and produced numerous publications, and web site content.

June 1995 **NORTHEAST REGIONAL BIOMASS PROGRAM**, Wash., DC
March 1996 Communications and Technology Transfer Consultant

Worked under subcontract with the Coalition of Northeastern (which manages the NRBP under contract to the U.S. Department of Energy) to design and implement strategic communications campaign to encourage the development and use of the region's biomass resources.

March 1995 **NYS DEPT. OF ENVIRONMENTAL CONSERVATION**, Albany, NY
March 1994 Press Officer

Responsible for state and national media relations in consultation with senior management in areas of air quality, solid waste management, energy, hazardous substance regulation and mineral resources. Directed media activities for high-visibility department activities ranging from building support for New York's Low Emission Vehicle program -- including sales mandate for electric vehicles -- to the banning of "DEET" insect repellents, and reacting to Supreme Court decisions on municipal incinerator ash and solid waste flow control.

March 1994 **NYS ENERGY RESEARCH AND DEV. AUTHORITY**, Albany, NY
Dec 1992 Assistant Manager of Media Relations

Managed a wide range of communications and technology transfer duties as part of management team for nationally recognized research organization. Led public information efforts relating to New York's demonstration of alternative-fuel vehicles and municipal solid waste management research through dissemination of news releases, regular media contacts and special events.

Nov 1992 **JOBS FOR THE NEW, NY TASK FORCE**, Albany, NY
Feb 1992 Assistant Project Director

At the request of the Governor Mario Cuomo, served on Task Force to conduct informational campaign in support of \$800 million "Jobs for the New, New York Bond Act" voter referendum. Prepared fact sheets, Governor's correspondence and weekly columns, press releases, initiated statewide satellite teleconference, and coordinated newspaper editorial support and radio talk show campaigns.

Feb 1992 **NYS ENERGY RESEARCH AND DEV. AUTHORITY**, Albany, NY
Aug 1987 Senior Technical Communications Associate

Duties ranged from managing award-winning technology transfer projects and coordinating media relations to directing video productions and organizing conference exhibitions. Managed New York State Student Energy Research Competition, an annual competition challenging the state's high school students to develop and complete innovative energy research projects.

Aug 1987 **NYS DEPARTMENT OF TRANSPORTATION**, Albany, NY
Oct 1984 Assistant Public Relations Officer

Involved in all aspects of communications and intergovernmental relations for 12,000-member state agency, including responding to crisis spurred by the collapse of the Thruway Bridge over the Schoharie Creek. Directed 160th anniversary celebration of New York's canal system.

June 1984 **BUYER'S UP**, Washington, DC
Jan 1984 Conservation Consultant

Developed comprehensive home weatherization program plan and assisted in operation of fuel oil "co-op" for organization representing energy consumer interests.

Jan 1984 **NORTHEAST-MIDWEST SENATE COALITION**, Washington, DC
July 1983 Legislative Assistant

Promoted the interests of the Northeast-Midwest region through a bipartisan coalition of 38 U.S. Senators, focusing on energy and environmental issues such as energy tax credits and natural gas deregulation.
