EMPLOYMENT EXPERIENCE

New Leaf Biofuel, LLC

Chief Executive Officer

San Diego, CA

September 09 - Present

Jennifer oversees all department heads and is responsible for permitting and licensing, business development, feedstock procurement feedstock and biodiesel sales. Jennifer serves as a board member and Secretary for the San Diego Regional Clean Cities Coalition, is a board member of the California Biodiesel Alliance, and is the Vice Chair of the National Biodiesel Board's Marketing Committee. She is also active in the San Diego chapter of the California Restaurant Association and serves as a member of the San Diego Association of Government's (SANDAG) Energy Working Group. Since becoming president in 2009, New Leaf has more than tripled its workforce and helped the plant reach its maximum production capacity of 1.5 million gallons per year. Under her leadership, the company has experienced substantial financial growth, which has allowed the Company to payoff over 1 million dollars in debt accumulated during the startup phase of the company.

General Counsel and Executive Director

July 2006 – September 09

Co-author of business plan; Preparation of entity formation and organization documents; Author of grant to Cal. Air Resources Board for partial funding of project; Drafting of intake and off-take agreements, employment agreements, and miscellaneous transactional documents related to confidentiality, taxes and accounting, debt and equity financing, insurance, and consulting; Land use, real estate and environmental research and permitting; Business development, including the procurement of feedstock intake agreements, biodiesel off-take agreements, and investor relations.

Weston Benshoof Rochefort Rubalcava MacCuish LLP

Associate

Contract Attorney

Los Angeles, CA

July 2004 – July 2006

July 2006 – Dec 2007

Member of Business Litigation and Construction Groups; Responsibilities included law and motion research, writing and oral argument, discovery, taking and defending depositions, assisting in mediation, arbitration and trial preparation. Drafted a writ of mandamus in favor of one of the largest administrators of deferred compensation plans regarding a bid protest against a large metropolitan city; Represented general contractor in suit against owner of a large shopping center project and defended cross complaints by numerous subcontractors; Researched and drafted opinion letter to a large metropolitan school district regarding the district's duty to seismically retrofit its schools and analyzing the potential exposure in the event of an injury caused by a seismic event; Drafted a petition for writ of mandate in support of a general contractor against a Superior Court which denied a motion to consolidate the complaint and cross-complaint derived from the same public work of improvement; Defended large telecommunications company from numerous lawsuits, ranging from class action suits regarding the Fair Credit Reporting Act and Unfair Competition Law to condemnation of wireless communications towers.
