

**AMENDMENT TO DRAFT OVERSIGHT PLAN
OFFERED BY MS. DEGETTE**

On page 11, at the end of the section entitled “CYBER SECURITY”, insert the following paragraph:

1 In light of the October 2016 joint Department of Homeland Security and Office of the
2 Director of National Intelligence statement regarding Russia’s compromises of e-mails from
3 US persons, US political organizations and US institutions, the Committee will examine
4 which systems under the Committee’s jurisdiction may remain vulnerable to possible future
5 attacks, and where appropriate, explore paths to defend against future attacks.
6

7 Additionally, the Committee will exercise its jurisdiction to ensure that the FCC takes action
8 to secure the nation’s networks and makes them resilient. Cyber-attacks are becoming a
9 frequent occurrence. This Committee is uniquely situated to ensure that the FCC does all in
10 its power to protect Americans online.
