(SHOWING THE TEXT OF H.R. 1193, AS FAVORABLY FORWARDED BY THE
SUBCOMMITTEE ON HEALTH ON NOVEMBER 4, 2021)

117TH CONGRESS
1ST SESSION

H. R. 1193

To amend title IV of the Public Health Service Act to direct the Director
of the National Institutes of Health, in consultation with the Director
of the National Heart, Lung, and Blood Institute, shall establish a
program under which the Director of the National Institutes of Health
shall support or conduct research on valvular heart disease, and for
other purposes.

IN THE HOUSE OF REPRESENTATIVES

FEBRUARY 22, 2021

Mr. BARR introduced the following bill; which was referred to the Committee
on Energy and Commerce

A BILL

To amend title IV of the Public Health Service Act to
direct the Director of the National Institutes of Health,
in consultation with the Director of the National Heart,
Lung, and Blood Institute, shall establish a program
under which the Director of the National Institutes of
Health shall support or conduct research on valvular
heart disease, and for other purposes.

1  Be it enacted by the Senate and House of Representa-
2  tives of the United States of America in Congress assembled,
SECTION 1. SHORT TITLE.

This Act may be cited as the “Cardiovascular Advances in Research and Opportunities Legacy Act”.

SEC. 2. GRANTS FOR VALVULAR HEART DISEASE RESEARCH.

Subpart 2 of part C of title IV of the Public Health Service Act (42 U.S.C. 285b et seq.) is amended by inserting after section 424C (42 U.S.C. 285b–7c) the following:

“SEC. 424D. GRANTS FOR VALVULAR HEART DISEASE RESEARCH.

“(a) IN GENERAL.—The Director of the National Institutes of Health, in consultation with the Director of the Institute, shall support or conduct research regarding valvular heart disease.

“(b) SUPPORT GUIDELINES.—The distribution of funding authorized under subsection (a) may be used to pursue the following outcomes:

“(1) Using precision medicine and advanced technological imaging to generate data on individuals with valvular heart disease.

“(2) Identifying and developing a cohort of individuals with valvular heart disease and available data.

“(3) Corroborating data generated through clinical trials to develop a prediction model to distinguish individuals at high risk for sudden cardiac ar-
rest or sudden cardiac death from valvular heart disease.

“(4) For other outcomes needed to acquire necessary data on valvular heart disease.

“(c) MITRAL VALVE PROLAPSE WORKSHOP.—Not later than one year after the date of the enactment of this section, the Director of the Institute shall convene a workshop composed of subject matter experts and stakeholders to identify research needs and opportunities to develop prescriptive guidelines for treatment of individuals with mitral valve prolapse.

“(d) AUTHORIZATION OF APPROPRIATIONS.—For the purpose of carrying out this section, there is authorized to be appropriated $20,000,000 for each of fiscal years 2022 through 2026.”.

SEC. 3. PROGRAMS OF CENTERS FOR DISEASE CONTROL AND PREVENTION.

Part B of title III of the Public Health Service Act (42 U.S.C. 243 et seq.) is amended by inserting after section 312 the following section:

“SEC. 312A. PREVENTION OF SUDDEN CARDIAC DEATH AS A RESULT OF VALVULAR HEART DISEASE.

“(a) IN GENERAL.—The Secretary, acting through the Director of the Centers for Disease Control and Prevention, may carry out projects to increase education,
awareness, or diagnosis of valvular heart disease and to reduce the incidence of sudden cardiac death caused by valvular heart disease. Such projects may be carried out by the Secretary directly or through awards of grants or contracts to public or nonprofit private entities. The Secretary may directly (or through such awards) provide technical assistance with respect to the planning, development, and operation of such projects.

“(b) CERTAIN ACTIVITIES.—Upon availability of applicable data, projects carried out under subsection (a) may include—

“(1) continuing the activities at the Division for Heart Disease and Stroke Prevention, including those related to valvular heart disease; and

“(2) broadening the awareness of the public concerning the risk factors for, the symptoms of, and the public health consequences of valvular heart disease; and

“(3) enhancing surveillance of out-of-hospital cardiac arrests to improve patient outcomes.

“(c) GRANT PRIORITIZATION.—The Secretary may, in awarding grants or entering into contracts pursuant to subsection (a), give priority to entities seeking to carry out projects that target populations most impacted by valvular heart disease.
“(d) COORDINATION OF ACTIVITIES.—The Secretary shall ensure that activities under this section are coordinated, as appropriate, with other agencies of the Public Health Service that carry out activities regarding valvular heart disease.

“(e) BEST PRACTICES.—The Secretary, acting through the Director of the Centers for Disease Control and Prevention, shall—

“(1) collect and analyze the findings of research conducted with respect to valvular heart disease; and

“(2) taking into account such findings, publish on the website of the Centers for Disease Control and Prevention best practices for physicians and other health care providers who provide care to individuals with valvular heart disease.”.
