Of inquiry directing the President to provide certain documents in the President’s possession to the House of Representatives relating to communications by or among any of the Department of Health and Human Services, the Office of National Drug Control Policy, the White House, the Drug Enforcement Administration, and the Department of Justice related to the executive branch’s recommendations for a long-term, consensus approach to reduce the supply and availability of illicitly manufactured fentanyl-related substances in the United States.
Resolved, That, not later than 14 days after the adoption of this resolution, the President is directed to furnish to the House of Representatives copies of any document or communication in the President’s possession that refers or relates to communications by or among any of the Department of Health and Human Services, the Office of National Drug Control Policy, the White House, the Drug Enforcement Administration, and the Department of Justice related to the executive branch’s recommendations for a long-term, consensus approach to reduce the supply and availability of illicitly manufactured fentanyl-related substances in the United States.
