5                   **TIES AT THE CENTERS FOR DISEASE CON-**  
6                   **TROL AND PREVENTION.**

7           (a) **IN GENERAL.**—In addition to amounts otherwise  
8 available, there is appropriated to the Secretary of Health  
9 and Human Services (in this subtitle referred to as the  
10 “Secretary”) for fiscal year 2021, out of any money in  
11 the Treasury not otherwise appropriated, \$7,500,000,000,  
12 to remain available until expended, for activities to plan,  
13 prepare for, promote, distribute, administer, monitor, and  
14 track COVID-19 vaccines.

15           (b) **USE OF FUNDS.**—The Secretary, acting through  
16 the Director of the Centers for Disease Control and Pre-  
17 vention, and in consultation with other agencies, as appli-  
18 cable, shall, in conducting activities referred to in sub-  
19 section (a)—

20                   (1) conduct activities to enhance, expand, and  
21           improve nationwide COVID-19 vaccine distribution

1 and administration, including activities related to  
2 distribution of ancillary medical products and sup-  
3 plies related to vaccines; and

4 (2) provide technical assistance, guidance, and  
5 support to, and award grants or cooperative agree-  
6 ments to, State, local, Tribal, and territorial public  
7 health departments for enhancement of COVID-19  
8 vaccine distribution and administration capabilities,  
9 including—

10 (A) the distribution and administration of  
11 vaccines licensed under section 351 of the Pub-  
12 lic Health Service Act (42 U.S.C. 262) or au-  
13 thorized under section 564 of the Federal Food,  
14 Drug, and Cosmetic Act (21 U.S.C. 360bbb-3)  
15 and ancillary medical products and supplies re-  
16 lated to vaccines;

17 (B) the establishment and expansion, in-  
18 cluding staffing support, of community vaccina-  
19 tion centers, particularly in underserved areas;

20 (C) the deployment of mobile vaccination  
21 units, particularly in underserved areas;

22 (D) information technology, data, and re-  
23 porting enhancements, including improvements  
24 necessary to support sharing of data related to  
25 vaccine distribution and vaccinations and sys-

1           tems that enhance vaccine safety, effectiveness,  
2           and uptake, particularly among underserved  
3           populations;

4                   (E) facilities enhancements; and

5                   (F) communication with the public regard-  
6           ing when, where, and how to receive COVID-  
7           19 vaccines.

8   **SEC. 3002. FUNDING FOR VACCINE CONFIDENCE ACTIVI-**  
9                   **TIES.**

10       In addition to amounts otherwise available, there is  
11       appropriated to the Secretary for fiscal year 2021, out of  
12       any money in the Treasury not otherwise appropriated,  
13       \$1,000,000,000, to remain available until expended, to  
14       carry out activities, acting through the Director of the  
15       Centers for Disease Control and Prevention—

16           (1) to strengthen vaccine confidence in the  
17       United States, including its territories and posses-  
18       sions;

19           (2) to provide further information and edu-  
20       cation with respect to vaccines licensed under section  
21       351 of the Public Health Service Act (42 U.S.C.  
22       262) or authorized under section 564 of the Federal  
23       Food, Drug, and Cosmetic Act (21 U.S.C. 360bbb-  
24       3) to prevent COVID-19 and other vaccine-prevent-  
25       able diseases; and

1           (3) to improve rates of vaccination throughout  
2           the United States, including its territories and pos-  
3           sessions, including through activities described in  
4           section 313 of the Public Health Service Act, as  
5           amended by section 311 of division BB of the Con-  
6           solidated Appropriations Act, 2021 (Public Law  
7           116–260), insofar as such activities relate to vac-  
8           cines that prevent COVID–19 and other vaccine-pre-  
9           ventable diseases.

10 **SEC. 3003. FUNDING FOR COVID–19 VACCINES AND THERA-**  
11 **PEUTICS SUPPLY CHAIN.**

12           In addition to amounts otherwise available, there is  
13           appropriated to the Secretary for fiscal year 2021, out of  
14           any money in the Treasury not otherwise appropriated,  
15           \$5,200,000,000, to remain available until expended, for  
16           necessary expenses with respect to research, development,  
17           manufacturing, production, and the purchase of vaccines,  
18           therapeutics, and ancillary medical products and supplies  
19           to prevent, prepare, or respond to—

20           (1) SARS–CoV–2 or any viral variant mutating  
21           therefrom with pandemic potential; and

22           (2) COVID–19 or any disease with potential for  
23           creating a pandemic.

2 **PEUTIC, AND DEVICE ACTIVITIES AT THE**  
3 **FOOD AND DRUG ADMINISTRATION.**

4 In addition to amounts otherwise available, there is  
5 appropriated to the Secretary for fiscal year 2021, out of  
6 any money in the Treasury not otherwise appropriated,  
7 \$500,000,000, to remain available until expended, to be  
8 used for the evaluation of the continued performance, safe-  
9 ty, and effectiveness, including with respect to emerging  
10 COVID-19 variants, of vaccines, therapeutics, and  
11 diagnostics approved, cleared, licensed, or authorized for  
12 use for the treatment, prevention, or diagnosis of COVID-  
13 19; facilitation of advanced continuous manufacturing ac-  
14 tivities related to production of vaccines and related mate-  
15 rials; facilitation and conduct of inspections related to the  
16 manufacturing of vaccines, therapeutics, and devices de-  
17 layed or cancelled for reasons related to COVID-19; re-  
18 view of devices authorized for use for the treatment, pre-  
19 vention, or diagnosis of COVID-19; and oversight of the  
20 supply chain and mitigation of shortages of vaccines,  
21 therapeutics, and devices approved, cleared, licensed, or  
22 authorized for use for the treatment, prevention, or diag-  
23 nosis of COVID-19 by the Food and Drug Administra-  
24 tion.

1                                   **CHAPTER 2—TESTING**  
2   **SEC. 3011. FUNDING FOR COVID-19 TESTING, CONTACT**  
3                                   **TRACING, AND MITIGATION ACTIVITIES.**

4           (a) **IN GENERAL.**—In addition to amounts otherwise  
5 available, there is appropriated to the Secretary for fiscal  
6 year 2021, out of any money in the Treasury not otherwise  
7 appropriated, \$46,000,000,000, to remain available until  
8 expended, for activities to detect, diagnose, trace, and  
9 monitor SARS-CoV-2 and COVID-19 infections and re-  
10 lated strategies to mitigate the spread of COVID-19.

11          (b) **USE OF FUNDS.**—From amounts appropriated by  
12 subsection (a), the Secretary shall—

13               (1) implement a national, evidence-based strat-  
14 egy for testing, contact tracing, surveillance, and  
15 mitigation with respect to SARS-CoV-2 and  
16 COVID-19;

17               (2) provide technical assistance, guidance, and  
18 support, and award grants or cooperative agree-  
19 ments to State, local, and territorial public health  
20 departments for activities to detect, diagnose, trace,  
21 and monitor SARS-CoV-2 and COVID-19 infec-  
22 tions and related strategies and activities to mitigate  
23 the spread of COVID-19;

24               (3) support the development, manufacturing,  
25 procurement, distribution, and administration of

1 tests to detect or diagnose SARS-CoV-2 and  
2 COVID-19, including supplies necessary for admin-  
3 istering tests, such as personal protective equipment;

4 (4) establish and expand Federal, State, local,  
5 and territorial testing and contact tracing capabili-  
6 ties, including investments in laboratory capacity,  
7 community-based testing sites, and mobile testing  
8 units, particularly in medically underserved areas;

9 (5) enhance information technology, data mod-  
10 ernization, and reporting, including improvements  
11 necessary to support sharing of data related to pub-  
12 lic health capabilities;

13 (6) award grants to, or enter into cooperative  
14 agreements or contracts with, State, local, and terri-  
15 torial public health departments to establish, ex-  
16 pand, and sustain a public health workforce; and

17 (7) to cover administrative and program sup-  
18 port costs necessary to conduct activities related to  
19 subparagraph (a).

20 **SEC. 3012. FUNDING FOR SARS-COV-2 GENOMIC SEQUENC-**  
21 **ING AND SURVEILLANCE.**

22 (a) IN GENERAL.—In addition to amounts otherwise  
23 available, there is appropriated to the Secretary for fiscal  
24 year 2021 out of any money in the Treasury not otherwise  
25 appropriated, \$1,750,000,000, to remain available until

1 expended, to strengthen and expand activities and work-  
2 force related to genomic sequencing, analytics, and disease  
3 surveillance.

4 (b) USE OF FUNDS.—From amounts appropriated by  
5 subsection (a), the Secretary, acting through the Director  
6 of the Centers for Disease Control and Prevention, shall—

7 (1) conduct, expand, and improve activities to  
8 sequence genomes, identify mutations, and survey  
9 the circulation and transmission of viruses and other  
10 organisms, including strains of SARS-CoV-2;

11 (2) award grants or cooperative agreements to  
12 State, local, Tribal, or territorial public health de-  
13 partments or public health laboratories—

14 (A) to increase their capacity to sequence  
15 genomes of circulating strains of viruses and  
16 other organisms, including SARS-CoV-2;

17 (B) to identify mutations in viruses and  
18 other organisms, including SARS-CoV-2;

19 (C) to use genomic sequencing to identify  
20 outbreaks and clusters of diseases or infections,  
21 including COVID-19; and

22 (D) to develop effective disease response  
23 strategies based on genomic sequencing and  
24 surveillance data;

1           (3) enhance and expand the informatics capa-  
2           bilities of the public health workforce; and

3           (4) award grants for the construction, alter-  
4           ation, or renovation of facilities to improve genomic  
5           sequencing and surveillance capabilities at the State  
6           and local level.

7   **SEC. 3013. FUNDING FOR GLOBAL HEALTH.**

8           In addition to amounts otherwise available, there is  
9           appropriated to the Secretary for fiscal year 2021, out of  
10          any amounts in the Treasury not otherwise appropriated,  
11          \$750,000,000, to remain available until expended, for ac-  
12          tivities to be conducted acting through the Director of the  
13          Centers for Disease Control and Prevention to combat  
14          SARS-CoV-2, COVID-19, and other emerging infectious  
15          disease threats globally, including efforts related to global  
16          health security, global disease detection and response,  
17          global health protection, global immunization, and global  
18          coordination on public health.

19   **SEC. 3014. FUNDING FOR DATA MODERNIZATION AND**  
20                   **FORECASTING CENTER.**

21          In addition to amounts otherwise available, there is  
22          appropriated to the Secretary for fiscal year 2021, out of  
23          any money in the Treasury not otherwise appropriated,  
24          \$500,000,000, to remain available until expended, for ac-  
25          tivities to be conducted acting through the Director of the

1 Centers for Disease Control and Prevention to support  
2 public health data surveillance and analytics infrastruc-  
3 ture modernization initiatives at the Centers for Disease  
4 Control and Prevention, and establish, expand, and main-  
5 tain efforts to modernize the United States disease warn-  
6 ing system to forecast and track hotspots for COVID–19,  
7 its variants, and emerging biological threats, including  
8 academic and workforce support for analytics and  
9 informatics infrastructure and data collection systems.

10 **CHAPTER 3—PUBLIC HEALTH**  
11 **WORKFORCE**

12 **SEC. 3021. FUNDING FOR PUBLIC HEALTH WORKFORCE.**

13 (a) IN GENERAL.—In addition to amounts otherwise  
14 available, there is appropriated to the Secretary for fiscal  
15 year 2021, out of any money in the Treasury not otherwise  
16 appropriated, \$7,660,000,000, to remain available until  
17 expended, for efforts related to establishing, expanding,  
18 and sustaining a public health workforce, including by  
19 making awards to State, local, and territorial public health  
20 departments.

21 (b) USE OF FUNDS FOR PUBLIC HEALTH DEPART-  
22 MENTS.—Amounts made available to an awardee pursuant  
23 to subsection (a) shall be used for the following:

1           (1) Costs, including wages and benefits, related  
2           to the recruiting, hiring, and training of individ-  
3           uals—

4                   (A) to serve as case investigators, contact  
5                   tracers, social support specialists, community  
6                   health workers, public health nurses, disease  
7                   intervention specialists, epidemiologists, pro-  
8                   gram managers, laboratory personnel,  
9                   informaticians, communication and policy ex-  
10                  perts, and any other positions as may be re-  
11                  quired to prevent, prepare for, and respond to  
12                  COVID-19; and

13                  (B) who are employed by—

14                          (i) the State, territorial, or local pub-  
15                          lic health department involved; or

16                          (ii) a nonprofit private or public orga-  
17                          nization with demonstrated expertise in im-  
18                          plementing public health programs and es-  
19                          tablished relationships with such State,  
20                          territorial, or local public health depart-  
21                          ments, particularly in medically under-  
22                          served areas.

23           (2) Personal protective equipment, data man-  
24           agement and other technology, or other necessary  
25           supplies.

1           (3) Administrative costs and activities necessary  
2           for awardees to implement activities funded under  
3           this section.

4           (4) Reporting to the Secretary on implementa-  
5           tion of the activities funded under this section.

6           (5) Subawards from recipients of awards under  
7           subsection (a) to local health departments for the  
8           purposes of the activities funded under this section.

9   **SEC. 3022. FUNDING FOR MEDICAL RESERVE CORPS.**

10          In addition to amounts otherwise available, there is  
11          appropriated to the Secretary for fiscal year 2021, out of  
12          any money in the Treasury not otherwise appropriated,  
13          \$100,000,000, to remain available until expended, for car-  
14          rying out section 2813 of the Public Health Service Act  
15          (42 U.S.C. 300hh–15).

16                   **CHAPTER 4—PUBLIC HEALTH**  
17                   **INVESTMENTS**

18   **SEC. 3031. FUNDING FOR COMMUNITY HEALTH CENTERS.**

19          (a) IN GENERAL.—In addition to amounts otherwise  
20          available, there is appropriated to the Secretary for fiscal  
21          year 2021, out of any money in the Treasury not otherwise  
22          appropriated, \$7,600,000,000, to remain available until  
23          expended, for awarding grants and cooperative agreements  
24          under section 330 of the Public Health Service Act (42  
25          U.S.C. 254b) to be awarded without regard to subsections

1 (e)(6)(A)(iii), (e)(6)(B)(iii), and (r)(2)(B) of such section  
2 330, and for awarding grants to Federally qualified health  
3 centers (as defined in section 1861(aa)(4)(B) of the Social  
4 Security Act (42 U.S.C. 1395x(aa))), and for awarding  
5 grants or contracts to qualified entities under the Native  
6 Hawaiian Health Care Improvement Act (42 U.S.C.  
7 11701 et seq.). Of the total amount appropriated by the  
8 preceding sentence, not less than \$20,000,000 shall be for  
9 grants or contracts to qualified entities under the Native  
10 Hawaiian Health Care Improvement Act (42 U.S.C.  
11 11701 et seq.).

12 (b) USE OF FUNDS.—Amounts made available to an  
13 awardee pursuant to subsection (a) shall be used—

14 (1) to plan, prepare for, promote, distribute,  
15 administer, and track COVID–19 vaccines, and to  
16 carry out other vaccine-related activities;

17 (2) to detect, diagnose, trace, and monitor  
18 COVID–19 infections and related activities nec-  
19 essary to mitigate the spread of COVID–19, includ-  
20 ing activities related to, and equipment or supplies  
21 purchased for, testing, contact tracing, surveillance,  
22 mitigation, and treatment of COVID–19;

23 (3) to purchase equipment and supplies to con-  
24 duct mobile testing or vaccinations for COVID–19,  
25 to purchase and maintain mobile vehicles and equip-

1       ment to conduct such testing or vaccinations, and to  
2       hire and train laboratory personnel and other staff  
3       to conduct such mobile testing or vaccinations, par-  
4       ticularly in medically underserved areas;

5           (4) to establish, expand, and sustain the health  
6       care workforce to prevent, prepare for, and respond  
7       to COVID–19, and to carry out other health work-  
8       force-related activities;

9           (5) to modify, enhance, and expand health care  
10      services and infrastructure; and

11          (6) to conduct community outreach and edu-  
12      cation activities related to COVID–19.

13      (c) PAST EXPENDITURES.—An awardee may use  
14      amounts awarded pursuant to subsection (a) to cover the  
15      costs of the awardee carrying out any of the activities de-  
16      scribed in subsection (b) during the period beginning on  
17      the date of the declaration of a public health emergency  
18      by the Secretary under section 319 of the Public Health  
19      Service Act (42 U.S.C. 247d) on January 31, 2020, with  
20      respect to COVID–19 and ending on the date of such  
21      award.

22      **SEC. 3032. FUNDING FOR NATIONAL HEALTH SERVICE**  
23                                      **CORPS.**

24      (a) IN GENERAL.—In addition to amounts otherwise  
25      available, there is appropriated to the Secretary for fiscal

1 year 2021, out of any money in the Treasury not otherwise  
2 appropriated, \$800,000,000, to remain available until ex-  
3 pended, for carrying out title III of the Public Health  
4 Service Act (42 U.S.C. 241 et seq.) with respect to the  
5 health workforce.

6 (b) STATE LOAN REPAYMENT PROGRAMS.—

7 (1) IN GENERAL.—Of the amount made avail-  
8 able pursuant to subsection (a), \$100,000,000 shall  
9 be made available for providing public health serv-  
10 ices through supplemental grants to States under  
11 section 338I(j) of the Public Health Service Act (42  
12 U.S.C. 254q–1(j)), for States that, on the date of  
13 enactment of this Act, are participating in the State  
14 loan repayment program under such section.

15 (2) CONDITIONS.—With respect to grants de-  
16 scribed in paragraph (1) using funds made available  
17 under such paragraph:

18 (A) Section 338I(b) of the Public Health  
19 Service Act (42 U.S.C. 254q–1(b)) shall not  
20 apply.

21 (B) Notwithstanding section 338I(d)(2) of  
22 the Public Health Service Act (42 U.S.C. 254q–  
23 1(d)(2)), not more than 10 percent of an award  
24 to a State from such amounts, may be used by

1 the State for costs of administering the State  
2 loan repayment program.

3 **SEC. 3033. FUNDING FOR NURSE CORPS.**

4 In addition to amounts otherwise available, there is  
5 appropriated to the Secretary for fiscal year 2021, out of  
6 any money in the Treasury not otherwise appropriated,  
7 \$200,000,000, to remain available until expended, for car-  
8 rying out section 846 of the Public Health Service Act  
9 (42 U.S.C. 297n).

10 **SEC. 3034. FUNDING FOR TEACHING HEALTH CENTERS**

11 **THAT OPERATE GRADUATE MEDICAL EDU-**  
12 **CATION.**

13 (a) IN GENERAL.—In addition to amounts otherwise  
14 available, and notwithstanding the capped amount ref-  
15 erenced in sections 340H(b)(2) and 340H(d)(2) of the  
16 Public Health Service Act (42 U.S.C. 256h(b)(2) and  
17 (d)(2)), there is appropriated to the Secretary for fiscal  
18 year 2021, out of any money in the Treasury not otherwise  
19 appropriated, \$330,000,000, to remain available until  
20 September 30, 2023, for the program of payments to  
21 teaching health centers that operate graduate medical  
22 education under section 340H of the Public Health Serv-  
23 ice Act (42 U.S.C. 256h) and for teaching health center  
24 development grants authorized under section 749A of the  
25 Public Health Service Act (42 U.S.C. 2931–1).

1 (b) USE OF FUNDS.—Amounts made available pursu-  
2 ant to subsection (a) shall be used for the following activi-  
3 ties:

4 (1) For making payments to new approved  
5 graduate medical residency training programs, pro-  
6 vided that the number of full-time equivalent resi-  
7 dents for which a qualified teaching health center re-  
8 ceives payments pursuant to section 340H(a)(1)(C)  
9 of the Public Health Service Act (42 U.S.C.  
10 256h(a)(1)(C)) for a fiscal year shall not exceed by  
11 more than 6 the number of full-time equivalent resi-  
12 dents for which the center received such payments  
13 for the preceding fiscal year.

14 (2) To provide an increase to the per resident  
15 amount described in section 340H(a)(2) of the Pub-  
16 lic Health Service Act (42 U.S.C. 256h(a)(2)) of  
17 \$10,000.

18 (3) For making payments under section 340H  
19 of the Public Health Service Act (42 U.S.C. 256h)  
20 to qualified teaching health centers for approved  
21 graduate medical residency training programs, for  
22 the number of full-time equivalent residents at a  
23 program at a number that is no lower than the high-  
24 est number of full-time equivalent residents in that

1 program for the period of fiscal years 2016 through  
2 2018.

3 (4) For making payments under section  
4 340H(a)(1)(B) of the Public Health Service Act (42  
5 U.S.C. 256h(a)(1)(B)) for the expansion of existing  
6 approved graduate medical residency programs.

7 (5) For making awards under section 749A of  
8 the Public Health Service Act (42 U.S.C. 2931–1) to  
9 teaching health centers for the purpose of estab-  
10 lishing new accredited or expanded primary care  
11 residency programs.

12 (6) To cover administrative costs and activities  
13 necessary for qualified teaching health centers re-  
14 ceiving payments under section 340H of the Public  
15 Health Service Act (42 U.S.C. 256h) to carry out  
16 activities under such section.

17 **SEC. 3035. FUNDING FOR COVID–19 TESTING, CONTACT**  
18 **TRACING, AND MITIGATION ACTIVITIES IN**  
19 **CONGREGATE SETTINGS.**

20 (a) IN GENERAL.—In addition to amounts otherwise  
21 available, there is appropriated to the Secretary for fiscal  
22 year 2021, out of any money in the Treasury not otherwise  
23 appropriated, \$1,800,000,000, to remain available until  
24 expended, to carry out activities to detect, diagnose, trace,  
25 and monitor SARS–CoV–2 and COVID–19 infections, and

1 related strategies to mitigate the spread of SARS-CoV-  
2 2, in congregate settings.

3 (b) USE OF FUNDS.—From amounts appropriated by  
4 subsection (a), the Secretary shall—

5 (1) support activities related to testing through  
6 the use of in vitro diagnostic products (as defined in  
7 section 809.3(a) of title 21, Code of Federal Regula-  
8 tions) for the detection of SARS-CoV-2 or the diag-  
9 nosis of the virus that causes COVID-19, including  
10 to purchase, procure, or administer tests and sup-  
11 plies necessary for administering and processing  
12 such tests to staff of, or individuals residing in, con-  
13 gregate settings, and pay (through any mechanism  
14 deemed appropriate by the Secretary) part or all of  
15 the costs to such entities of administering or proc-  
16 essing such tests;

17 (2) support vaccine-related activities for author-  
18 ized or licensed COVID-19 vaccines, to provide for  
19 the vaccination of staff of, or individuals residing in,  
20 congregate settings, and pay (through any mecha-  
21 nism deemed appropriate by the Secretary) part or  
22 all of the costs to such entities of administering such  
23 vaccines;

24 (3) purchase, procure, or distribute personal  
25 protective equipment or other products or supplies

1 for use in mitigation of COVID–19 transmission  
2 among staff of, or individuals residing in, congregate  
3 settings; and

4 (4) provide technical assistance, guidance, and  
5 support and award grants, contracts, or cooperative  
6 agreements to State, local, territorial, and Tribal  
7 public health departments for activities to detect, di-  
8 agnose, trace, monitor, and report on SARS–CoV–  
9 2 and COVID–19 infections, and related strategies  
10 and activities to mitigate the spread of SARS–CoV–  
11 2, in congregate settings.

12 (c) DEFINITION.—For purposes of this section, the  
13 term “congregate settings” includes Federal, State, local,  
14 territorial, and Tribal prisons, jails, detention centers (in-  
15 cluding juvenile detention centers), other correctional, de-

24 carrying out subpart II of part B of title XIX of the Public  
25 Health Service Act (42 U.S.C. 300x–21 et seq.), subpart

1 III of part B of title XIX of such Act (42 U.S.C. 300x–  
2 51 et seq.), section 505(d) of such Act (42 U.S.C. 290aa–  
3 4(d)) with respect to substance abuse, and section 515(d)  
4 of such Act (42 U.S.C. 290bb–21(d)). Notwithstanding  
5 section 1952 of the Public Health Service Act (42 U.S.C.  
6 300x–62), any amount awarded to a State out of amounts  
7 appropriated by this section shall be expended by the State  
8 by September 30, 2025.

9 **SEC. 3053. FUNDING FOR MENTAL AND BEHAVIORAL**  
10 **HEALTH TRAINING FOR HEALTH CARE PRO-**  
11 **FESSIONALS, PARAPROFESSIONALS, AND**  
12 **PUBLIC SAFETY OFFICERS.**

13 (a) IN GENERAL.—In addition to amounts otherwise  
14 available, there is appropriated to the Secretary for fiscal  
15 year 2021, out of any money in the Treasury not otherwise  
16 appropriated, \$80,000,000, to remain available until ex-  
17 pended, for the purpose described in subsection (b).

18 (b) USE OF FUNDING.—The Secretary, acting  
19 through the Administrator of the Health Resources and  
20 Services Administration, shall, taking into consideration  
21 the needs of rural and medically underserved communities,  
22 use amounts appropriated by subsection (a) to award  
23 grants or contracts to health professions schools, academic  
24 health centers, State or local governments, Indian Tribes  
25 and Tribal organizations, or other appropriate public or

1 private nonprofit entities (or consortia of entities, includ-  
2 ing entities promoting multidisciplinary approaches), to  
3 plan, develop, operate, or participate in health professions  
4 and nursing training activities for health care students,  
5 residents, professionals, paraprofessionals, trainees, and  
6 public safety officers, and employers of such individuals,  
7 in evidence-informed strategies for reducing and address-  
8 ing suicide, burnout, and mental and behavioral health  
9 conditions (including substance use disorders) among  
10 health care professionals.

18 year 2021, out of any money in the Treasury not otherwise  
19 appropriated, \$20,000,000, to remain available until ex-  
20 pended, for the purpose described in subsection (b).

21 (b) USE OF FUNDS.—The Secretary, acting through  
22 the Director of the Centers for Disease Control and Pre-  
23 vention and in consultation with the medical professional  
24 community, shall use amounts appropriated by subsection  
25 (a) to carry out a national evidence-based education and

1 awareness campaign directed at health care professionals  
2 and first responders (such as emergency medical service  
3 providers), and employers of such professionals and first  
4 responders. Such awareness campaign shall—

5           (1) encourage primary prevention of mental and  
6 behavioral health conditions and secondary and ter-  
7 tiary prevention by encouraging health care profes-  
8 sionals to seek support and treatment for their own  
9 behavioral health concerns;

10           (2) help such professionals to identify risk fac-  
11 tors in themselves and others and respond to such  
12 risks;

13           (3) include information on reducing or pre-  
14 venting suicide, substance use disorders, burnout,  
15 and other mental and behavioral health conditions,  
16 and addressing stigma associated with seeking men-  
17 tal and behavioral health support and treatment;  
18 and

19           (4) consider the needs of rural and medically  
20 underserved communities.

7 year 2021, out of any money in the Treasury not otherwise  
8 appropriated, \$40,000,000, to remain available until ex-  
9 pended, for the purpose described in subsection (b).

10 (b) USE OF FUNDS.—The Secretary, acting through  
11 the Administrator of the Health Resources and Services  
12 Administration, shall, taking into consideration the needs  
13 of rural and medically underserved communities, use  
14 amounts appropriated by subsection (a) to award grants  
15 or contracts to entities providing health care, including  
16 health care providers associations and Federally qualified  
17 health centers, to establish, enhance, or expand evidence-  
18 informed programs or protocols to promote mental and be-  
19 havioral health among their providers, other personnel,  
20 and members.

21 **SEC. 3056. FUNDING FOR COMMUNITY-BASED FUNDING**  
22 **FOR LOCAL SUBSTANCE USE DISORDER**  
23 **SERVICES.**

24 (a) IN GENERAL.—In addition to amounts otherwise  
25 made available, there is appropriated to the Secretary for  
26 fiscal year 2021, out of any money in the Treasury not

1 otherwise appropriated, \$30,000,000, to remain available  
2 until expended, for the purpose described in subsection  
3 (b).

4 (b) USE OF FUNDS.—

5 (1) IN GENERAL.—The Secretary, acting  
6 through the Assistant Secretary for Mental Health  
7 and Substance Use and in consultation with the Di-  
8 rector of the Centers for Disease Control and Pre-  
9 vention, shall award grants to support States; local,  
10 Tribal, and territorial governments; Tribal organiza-  
11 tions; nonprofit community-based organizations; and  
12 primary and behavioral health organizations to sup-  
13 port community-based overdose prevention pro-  
14 grams, syringe services programs, and other harm  
15 reduction services, with respect to harms of drug  
16 misuse that are exacerbated by the COVID–19 pub-  
17 lic health emergency.

18 (2) USE OF GRANT FUNDS.—Grant funds  
19 awarded under this section to eligible entities may  
20 be used for preventing and controlling the spread of  
21 infectious diseases and the consequences of such dis-  
22 eases for individuals with substance use disorder,  
23 distributing opioid overdose reversal medication to  
24 individuals at risk of overdose, connecting individ-  
25 uals at risk for, or with, a substance use disorder to

1 overdose education, counseling, and health edu-  
2 cation, and encouraging such individuals to take  
3 steps to reduce the negative personal and public  
4 health impacts of substance use or misuse.

5 **SEC. 3057. FUNDING FOR COMMUNITY-BASED FUNDING**  
6 **FOR LOCAL BEHAVIORAL HEALTH NEEDS.**

7 (a) IN GENERAL.—In addition to amounts otherwise  
8 made available for such purpose, there is appropriated to  
9 the Secretary for fiscal year 2021, out of any money in  
10 the Treasury not otherwise appropriated, \$50,000,000, to  
11 remain available until expended, for the purpose described  
12 in subsection (b).

13 (b) USE OF FUNDS.—

14 (1) IN GENERAL.—The Secretary, acting  
15 through the Assistant Secretary for Mental Health  
16 and Substance Use, shall award grants to State,  
17 local, Tribal, and territorial governments, Tribal or-  
18 ganizations, nonprofit community-based entities, and  
19 primary and behavioral health organizations to ad-  
20 dress increased community behavioral health needs  
21 worsened by the COVID–19 public health emer-  
22 gency.

23 (2) USE OF GRANT FUNDS.—Grant funds  
24 awarded under this section to eligible entities may  
25 be used for promoting care coordination among local

1 entities; training the mental and behavioral health  
2 workforce, relevant stakeholders, and community  
3 members; expanding evidence-based integrated mod-  
4 els of care; addressing surge capacity for mental and  
5 behavioral health needs; providing mental and behav-  
6 ioral health services to individuals with mental
