Letter of Support

Please consider this as a letter of support for the “North American Energy Security and Infrastructure Act of 2015”. The National Black Chamber of Commerce® is the largest Black business association in the world. We firmly believe that this act will be positive towards the needs of our great nation and beneficial to our members who will participate in this great endeavor.

Thanks for your consideration.

Sincerely,

A handwritten signature in black ink, appearing to read "Harry C. Alford", written in a cursive style.
