Dear Chairman Upton, Ranking Member Waxman, Congressmen Latta and Matheson,

UPS strongly supports the final passage of the *Drug Quality and Security Act*. UPS appreciates and applauds the House Energy and Commerce Committee's work toward bi-partisan, bi-cameral legislation that will protect American consumers by creating a more secure pharmaceutical supply chain.

We thank the committee members, staff, and other interested stakeholders for the significant amount of time and energy invested toward achieving this objective. We ardently support the immediate passage of this historic legislation.

Thank you again for your hard work. This legislation will ensure that millions of Americans can confidently rely on the quality and safety of their prescription medicines.

Sincerely,
