

THE
AMERICAN
CONSERVATIVE
UNION

January 8, 2015

Dear Representative:

On behalf of the American Conservative Union, I urge you to vote for H.R. 3 that will give final approval to the Keystone XL pipeline. After years of delay, there is no further excuse to hold up a project that is important for America's energy security and will produce tens of thousands of private sector jobs.

The Obama Administrations' own State Department has given the go-ahead and the issues over the pipeline's route have been settled. Please vote "YES" on H.R. 3, to approve the Keystone XL pipeline.

Sincerely,

Larry Hart
Director of Government Relations
American Conservative Union
