### **Statement of NCTA President & CEO Michael Powell Regarding House Committee Approval of the FCC Process Reform Act**

"We applaud Chairman Walden, Ranking Member Eshoo and members of the House Communications and Technology Subcommittee for moving the FCC Process Reform Act through the committee. It is our firm belief that this bipartisan legislation advances our shared goal of encouraging greater transparency and predictability in agency decision making. We encourage the full House to act quickly in considering and approving this legislation."

*NCTA is the principal trade association for the U.S. cable industry, representing cable operators serving more than 90 percent of the nation's cable television households and more than 200 cable program networks. The cable industry is the nation's largest broadband provider of high-speed Internet access, serving more than 51 million customers, after investing \$200 billion to build two-way interactive networks with fiber optic technology. Cable companies also provide state-of-the-art digital telephone service to more than 27 million American consumers.*
