Charter Communications Statement Regarding the 'Satellite Television Extension Act Reauthorization of 2014' (STELAR)

STAMFORD, Conn., Nov. 18, 2014 /PRNewswire/ -- Charter Communications, Inc. (NASDAQ: CHTR) today released the following statement in response to the 'Satellite Television Extension Act Reauthorization of 2014' (STELAR).

"Charter Communications applauds the bipartisan 'Satellite Television Extension Act Reauthorization of 2014' (STELAR) and supports its passage. The consumer oriented reforms contained within STELAR will help modernize current law and promote better service for consumers. We are grateful for the leadership of the Members of the House and Senate involved in the negotiations. Charter Communications looks forward to working with both the House and the Senate as it seeks to further modernize communications law next congress."

About Charter

Charter (NASDAQ: CHTR) is a leading broadband communications company and the fourth-largest cable operator in the United States. Charter provides a full range of advanced broadband services, including advanced Charter TV® video entertainment programming, Charter Internet® access, and Charter Phone®. Charter Business® similarly provides scalable, tailored, and cost-effective broadband communications solutions to business organizations, such as business-to-business Internet access, data networking, business telephone, video and music entertainment services, and wireless backhaul.
